Arslan Gohar Mughal

Frontend Developer

I am a self-taught front-end developer. I primarily focus on writing clean, elegant, and efficient code. I am proficient in HTML, CSS, JavaScript. I also review existing code and can consult with you on how to improve it. I am proficient in writing mobile responsive codes. My goal is to provide my services to the companies that can best utilize my skills while simultaneously helping me to grow and enhance my learning and skills.
